Dear Parents and Carers,

As ever, I hope you remain safe and well and that all your family and friends are safe too. This is just a short letter today to wish you all a happy half term break. I am hoping that the weather will be good for us all. I would urge you to be careful as although suddenly everyone is out and about it seems, the virus is still present in the community.

As I mentioned in my letter last week, we will **not** be opening to a lot more pupils imminently. This is the view supported by Brighton and Hove as you will have seen from the letter sent out earlier in the week. It is still too early with our vulnerable population and **it would not be safe**. Safety and wellbeing are still the priority. We will continue to risk assess children and young people for gradual readmission over time.

Also, just to confirm, the three 'Hubs' in conjunction with the authority decided that the holiday provision is only for families of critical workers and those subject to safeguarding plans.

Please stay safe and stay well.

Take care,

Adrian Carver  
Executive Headteacher
